Peggy Guill, Barbara Guill, Ellen Jamerson, and Janet Wilhoit were annual awards at the Falling River Country Club Ladies' Golf Association Awards Dinner on Saturday, October 21, at John Mosby Inn.

All the ladies were presented with a rose bud as they arrived for the buffet dinner. Following a delicious meal, slides of the ladies club championship entertained everyone.

A short business session brought about two changes in the association by-laws: 1. The monthly meeting was changed from the fourth Monday to the third Monday night and 2. Yearly dues were changed from ten dollars to twelve dollars per member.

New officers for the 1978-79 year will be Chairperson, Sudie Howe; Co-Chairperson, Carol Cozart; Secretary-Treasurer, Judy Dorety; Handicap Chairman, Ann Kerr; Ringer Tournament Chairman, Janet Wilhoit; Tournament Chairman, Jackie Robinson; Scotch Foursomes Co-Chairmen, Doris Nash and Joyce Jamerson; Ladies Day Chairman, Peggy Guill; Telephone Chairmen, Bettie Abbitt and Harriett Redding; Fund Raising Chairman, Louise Lawson; and Social Chairman, Linda Stewart.

Following the business session, winners of the ladies day events for the last month were given golf balls and winners of the annual awards were announced. The nine-hole awards are based on the best twenty nine-hole rounds during ladies season. Eighteen-hole awards are based on the one best eighteen-hole round with a minimum of ten eighteen-hole rounds played.

For 1978 the nine-hole average lowest gross went to Barbara Guill with a 46.35 stroke average. Nine-hole average lowest net went to Peggy Guill with a 31.6 stroke average. Peggy also captured the nine-hole average lowest putts with 15 putts.

The lowest number of putts recorded in an eighteen-hole round was 27 carded by Ellen Jamerson on August 22. The lowest net score of 62 on an 18-hole round was recorded by Janet Wilhoit on May 23. Peggy Guill won the 18-hole lowest gross award with a score of 83 on August 13. The final award for the most improved player based on handicap improvement was Peggy Guill who dropped 7 strokes. Also recognized were Janet Wilhoit and Gail Thompson who had improved handicap averages of 6 strokes.

Though the ladies day season is over, association members have expressed a desire to continue playing on Tuesdays as long as the weather permits. Everyone is encouraged to join the group.

Housing Facility Discussed

Don Brown, President of Virten Ltd., Lynchburg and Gerald Carlew, stockholder and President of H&C Consultants were in town recently to discuss again the prospect of housing facilities for the handicapped.

The proposed forty-eight unit apartment complex will be privately owned with a mortgage carried by the Farmers Home Administration and located in the county adjacent to the town of Appomattox.

One, two, and three bedroom apartments with central heat, air, carpet, stove and refrigerator will have a full-time resident manager and a full-time yard and maintance worker.

The apartments will rent from $95.00 up according to income. Applicants must have an adjusted income of between $6,000 and $15,000.

Persons 62 years of age and over will automatically qualify for rental assistance regardless of income; 10% of the housing will be for the elderly and the handicapped, the apartments equipped with wide doors to accomodate wheel chairs and hand rails for easier and safer walking.

Applications are now being taken.

The cost of the proposed project will be approximately $1,060,000.

RAIDERETTES LOSE TWO

The ACHS Volleyball team ran into some difficulties with two matches last week. The Raiderettes traveled to Amherst Tuesday, where they were defeated 11-9 and 14-12 in two very tight games. The eight minute playing time expired in both games due to the long volleys. Susan Handy and Annette Carter were the top servers with 7 and 6 points, respectively.

On Thursday the Raiderettes again took to the road to play Liberty, the only undefeated team in the district. The Raiderettes got off to a sluggish start losing their first game 14-7, again playing until time expired. The second game the Raiderettes again had to struggle to come from behind and did manage to get within 1 point. However, they could not muster enough and lost the game 15-11. Johnna Belter scored 5 points and Vanessa Smith scored 4 points.

The Raiderettes finished their season with a 7-2 record which gave them second place in the district standings.

Board of Education Will Pass Required Test For H.S. Graduation

The Board of Education will establish a passing score for minimum competency tests in reading and mathematics which are required for high school graduation when it meets in Richmond on October 26 and 27 in the State Capitol.

The Board also is expected to decide whether or not ninth - and tenth-grade students who pass the tests the first time will be required to take them again before graduation.

A decision on the passing score will clear the way for the tests to be given to more than 150,000 students during the current school year.

Dr. W. E. Campbell, superintendent of public instruction, has announced that he will recommend to the Board that the tests be given to tenth-grade students on October 30 and November 1 and 2. Ninth graders will be tested next April.

The tests originally were scheduled to be given to tenth graders in mid-October. After considerable discussion during its meeting last month, the board decided that the tests would not be given until after the passing score is determined. State Department of Education staff personnel were asked to recommend a passing score which the board will discuss at an informational session on the afternoon of October 26 (House Committee Room 4) and act on officially the following day at its meeting beginning at 9 a.m. in House Committee Room 1.

The minimum competency program is required by Standards of Quality which were adopted by the 1978 General Assembly for Virginia's public schools. Students who graduate from accredited high schools after January 1, 1981, will be required to pass the minimum competency tests in addition to earning the required units of credit prescribed by the board.

Tenth graders will be tested first because they will be the first graduating class affected by the General Assembly's mandate. Students who make low scores will be given additonal help in school and will have other opportunities to take the tests before they become seniors in high school.

Among other items, the board also will receive a report and recommendations from an advisory committee appointed to study the desirability of requiring some type of competency examination for public school teachers prior to initial certification.

Mrs. Love Now Member of NFIB

Announcement was made today of the appointment of Mrs. John L. Love, Jr., of the Appomattox Dairy Supply Colmpany, Inc., in Appomattox, Va., as an Action Council Member to the National Federation of Independent Business (NFIB) in San Mateo, California and Washington, D.C.

NFIB is a non-profit, non-partisan organization representing the needs of small businesses across the country. Founded in 1943, it was designed to promote the concept of free enterprise and to give independent business a greater voice in shaping the laws which govern business and taxpayers.

The idea of the Action Council Member was developed by NFIB President Wilson S. Johnson, who felt the need for members to take a more active role in furthering the cause of small and independent business at the grass roots and federal level.

An enthusiastic business person, Mrs. Love reflects the involvement and interest of the Action Council Members.
